SOCCER CAMPS

LOCATION: Perugia ‐ Italia (Home of Accademia Insegnare Calcio ‐ Italian Soccer School)Accademia Insegnare Calcio ‐ Italian Soccer School is the ultimate in Study and Soccer Travel Programs in Italy. The Italian Soccer School Program has been operating for 10 years and prides itself on its years of experience and success with players from all over the world. Our Italian Soccer School Academy is conducted by a professional staff of licensed coaches UEFA and FIGC (Italian Soccer Federation) and provides a specific, thorough professional soccer training program based on the capacities of each player.

Most of our coaches are bilingual even if we prefer, whenever possible, to conduct the training session in Italian in order to immerse the players in the Italian language.

Our Soccer School Camp Program is open to all players, boys and girls, from 12 to 20 years old. We offer three kinds of Training Program Camps to our players/campers: 1. BASIC CAMP (basic elements of soccer; ball work; building and/or improvement of all technical skills; definition and suggestion of player's position on the field and on the team; individual tactics and situations of play: 1v1 ‐ 2v1 ‐ 3v1).2. ADVANCED CAMP (improvement of all technical skills; control of position; the tasks of the player's position on the offensive and defensive phase: individual-sector-team; situations of play: 1v1-2v1-4v2-6v4; collective defensive and offensive phase on the base of the system of play utilized).3. ELITE CAMP (all aspects of the Advanced Camp reinforced; offensive schemes, defensive systems, situations of play: 6v4; 8v6; complete analysis and execution of the modern system of play).At time of registration, the player/camper can decide and choose his/her camp; otherwise, upon arrival at the Scuola Calcio, our technical staff will choose the appropriate session suitable for the player based on the first training session. In all the CAMPS the players attend a 2 to 3 hour training session daily (morning or afternoon) from Monday to Friday. Accademia Insegnare Calcio camps are intense, yet fun. When it is possible, friendly matches between Accademia Insegnare Calcio Camp's Team and the local teams are arranged.

The duration of our camp is from one week to three weeks generally during the month of July. Specific individual requests may also be accommodated throughout the year.Other Camp Activities • Italian Language Course guarantees a high standard of teaching thanks to our qualified teachers with specific experience in teaching youth and Italian as a second language.
